

2024 National Conference on Building and Facility Operations (NCBFO) The Value of Commissioning: Investing in a Better Building

June 11/12, 2024 – Toronto, ON

Organized by:

Eastern Canada Chapter of the Building Commissioning Association (BCxA)

The BCxA's Eastern Canada Chapter (ECC) proudly presents, the 2024 edition of the National Conference on Building and Facility Operations (NCBFO), which brings together a group of global, national, and local practitioners, policy makers, and researchers whose focus is reduction in energy consumption, operating cost, and environmental impact of buildings and industrial facilities.

The ECC would like to give your organization access and visibility among industry leaders by participating in NCBFO 2024.

NCBFO is an annual Canadian conference hosted in alternating years by the BCxA's Western and Eastern Canada Chapters. NCBFO 2024 is a leading forum for individuals interested in the continuous improvement in operations of buildings and facilities. The theme for this year is "**The Value of Commissioning: Investing in a Better Building**". This two-day conference with diversified presentations will include approximately eight (8) speakers spread over a day and a half and a technical site tour (location to be confirmed). The full program is currently under development, and we will share more details with you, as we are able.

When: June 11/12, 2024

Where: Trinity College, University of Toronto
6 Hoskin Ave, Toronto, ON M5S 1H8

The [Building Commissioning Association \(BCxA\)](#) is an international non-profit organization that serves as the recognized authority and resource on commissioning. Our mission is to guide the building commissioning industry by advancing best practices and education throughout the building industry and by promoting the benefits of building commissioning to achieve buildings that work.

The ECC would like to thank you in advance for supporting NCBFO 2024 Conference!
