

2026 National Conference on Building and Facility Operations (NCBFO)

The Value of Commissioning: Investing in a Better Building

June 11/12, 2024 – Greater Montreal Area, QC

Organized by:

Eastern Canada Chapter of the Building Commissioning Association (BCx A)

The BCx A's Eastern Canada Chapter (ECC) proudly presents, the 2026 edition of the National Conference on Building and Facility Operations (NCBFO), which brings together a group of global, national, and local practitioners, policy makers, and researchers whose focus is reduction in energy consumption, operating cost, and environmental impact of buildings and industrial facilities.

The ECC would like to give your organization access and visibility among industry leaders by participating in NCBFO 2026.

NCBFO is an annual Canadian conference hosted in alternating years by the BCx A's Eastern and Western Canada Chapters. NCBFO 2026 is a leading forum for individuals interested in the continuous improvement in operations of buildings and facilities. This two-days conference with diversified presentations will include approximately ten (10) speakers spread over a day and a half and a technical site tour (location to be confirmed). The full program is currently under development, and we will share more details with you, as we are able.

When: [June 11/12, 2026](#)

Where: [Holiday Inn – Laval, QC](#)

The [Building Commissioning Association \(BCx A\)](#) is an international non-profit organization that serves as the recognized authority and resource on commissioning. Our mission is to guide the building commissioning industry by advancing best practices and education throughout the building industry and by promoting the benefits of building commissioning to achieve buildings that work.

The ECC would like to thank you in advance for supporting the NCBFO 2026 Conference!
